October 12th 2006

Dear Mr Reilly,

I am writing to thank you very much for your excellent presentation to the children last Friday. You really made a hit with our children and I know many of them have talked about your books with enthusiasm.

It is of such benefit to our children to meet people who make an impression on them and inspire them to achieve.

Many thanks again, and I hope to meet again in the future.

Yours sincerely,

Rachel Rees-Jones  
Head teacher
