

School Name LAWNS PARK PRIMARY

Evaluation: Please write a few words of evaluation here that we may use to improve our next tour/ use in our future promotions:

The children thoroughly enjoyed Fannon's visit to school - they were excited and motivated to read his books!

Children who purchased books have also been talking about how much they are enjoying reading them at home.

We are excited as a school about becoming authors ourselves - Fannon's visit inspired us to have a go ourselves!

A good mix of book readings and talk which kept the children interested. Very entertaining presentation which hooked all the children, regardless of age. Children were keen to buy the books!

All the children really enjoyed Fannon visit, he was inspiring and some of our hard to reach children in particular gained a lot from seeing him.
