

Eamon's energy was contagious and it was significant that all — 33 to 40 children were transfixed visually. Funny and serious; seriously funny. I'm glad I attended his assembly.

(Yr. 6 teacher)

A much appreciated visit which provided a real boost for the children. It's always important to support the children in making links between what they do in the classroom and real-life. Eamon achieved this brilliantly. Very inspirational!
